Itinerary

Pick up point / Princes Wharf No. 1, Castray Esplanade, Hobart

Tasman Bay National Park Lookout

Entering into a spectacular view of the ocean and land. Enjoy tea/coffee in these beautiful places.

Duration: 20 minutes

Tessellated Pavement

Tessellated pavement is extremely rare. This natural phenomenon is only found in a few places on Earth where rocks have fractured into polygonal blocks and appear just like man-made tiles. The place is also famous for sunrise and sunset.

Duration: 30 minutes

Devil's Kitchen

Tasman's Arch is a tall natural bridge in the sea cliffs of the Tasman Peninsula, that has also been carved out by the Tasman Sea. This beautiful geological formation is one of many that can be visited at Eaglehawk Neck and along the eastern side of the Tasman Peninsula. ps:

Optional to Waterfall Bay lookout

Duration: 1 hour 15 minutes

Port Arthur Lavender Farm

Lunch or cup of coffee with a beautiful experience of lavender. It is worth having the ice cream and the Lavender products here in the shop.

Duration: 1 hour 25 minutes

Remarkable Cave

Enjoy the vista from Maignon Bay Lookout of the rugged southern coastline before descending the steps to the spectacular Remarkable Cave. Enjoy a 15-minute walk return and be prepared to get a little wet!

Duration: 25 minutes

Tasmanian Chocolate Foundry

Nestled in the heart of the Tasman Peninsula in Taranna on the rugged East Coast of Tasmania you will find the perfect stop on your travels. The Tasmanian Chocolate Foundry manufactures a large range of hand-forged chocolate products. Indulge yourself in all things chocolate, using the finest Belgian Coverture chocolate there is sure to be something to tantalize the tastebuds.

Duration: 20 minutes

塔斯馬尼亞/塔斯曼半島一日遊

中文版本

行程介紹:

旅程: 8 小時 (左右)

出發日期: 2024 /10 月-2025/8 月

出發時段: 週二~週五

雖然該地區以荷蘭探險家阿貝爾·塔斯曼的名字命名，在歐洲人到來之前，這一地區居民的原住民為派德雷麥（pyder-remer）人。他們居住的地方現在稱為塔斯曼和福里斯蒂爾半島。

1830 年代初，歐洲人在半島的亞瑟港建立了第一個居住地。由於它在地理上孤立於其他的殖民地，因此被選為關押犯人的地方，並且相比位於西海岸的另一個關押犯人地點麥格理港，從海上更容易到達這裡。它還提供優良的製作船隻和其他建築工程的木材，並且是一個深水港，可用於英國軍艦的修復。在鷹頸設立警衛和警犬後，罪犯就很難逃脫。

亞瑟港的犯人關押地如今已經成為一個旅遊景點。和大部分洲一樣，旅遊已經成為一個主要產業。在政府大力積極推動觀光的促使下，塔斯曼半島擁有著塔斯人的後山與後花園之稱。由於動、植物種的多樣化，這裡是研究家長年觀察的基地。再來就是擁有著多樣化的天然地形和健走山巒，著名的健走行程『Three Capes Track』就是坐落於此。每年吸引者大量的遊客來此親自見證這大自然的鬼斧神工，配合國家公園每一年在健走步道上的更新建設。塔斯曼半島已經成為非常成熟的一日旅遊/多日旅遊的必要觀光勝地。

行程重點:

- 享受壯闊的懸崖峭壁和無盡的海洋邊際
- 深度了解塔斯動/植物知識和環境
- 體驗島嶼風情和當地文化導覽
- 饗宴當地美食佳餚與美酒品嚐
